WELCOME
TO THE DISCO

WELCOME TO THE DISCO

Welcome to a night of glamour, glitz, and unforgettable memories!

We invite you to step back in time to the golden days of disco under the arches in east london this Christmas - a realm where the disco ball spins, the music electrifies, and the energy of the 1970s reigns supreme. It's time to let your hair down, embrace your inner diva, and celebrate in true glitterball style.

As the lights dazzle and the atmosphere buzzes, prepare yourselves for an evening of culinary indulgence and captivating entertainment. Our catering offerings experience has been crafted to tantalize your taste buds, while the entertainment will transport you straight into the heart of the iconic disco era.

Awesome!

For over 35 years, The Awesome Group has successfully delivered premium events throughout the UK and Europe.

CATERING

Specialist London caterers Fusion Hospitality work with you and your necessities. Responding to the latest food trends and local suppliers we are able to provide traditional dining as well and new and modern menus and ingredients.

Each dish is prepared with fresh locally sourced ingredients, flair and individuality. We pride ourselves on our ability to listen to our clients and create a personal service in keeping with their requirements. From canapes and bowl food to street food vendors, our dishes and service can all be designed according to your taste.

BRANDING

The venue boasts a perfect blank canvas for any branding - from walls to napkins - big or small. Tailor make the venue to fit your brand identity.

The most unique piece of branding is our **iconic mural wall — a rotating façade for bold ideas, unhinged copy and memorable activations 20m x 5m**
Advertising Mural Wall In the heart of shoreditch

Right at the front of our venue is one of the most visible imaginative canvases in East London.

At 20 meters wide and 5 meters high, this wall is a constantly evolving backdrop for bold art, big ideas, and brands that want to actually be part of the Shoreditch culture, not just advertise next to it. If you want to make a statement that people actually stop, look at, and photograph, this is your space
